Dartmouth Cove Infill Proposal

Bruce Wood and Tom Hickey of Atlantic Road Construction and Paving plan to infill a pre-confederation water lot in Dartmouth Cove. The project is now approved by Transport Canada but still requires approval from the Department of Fisheries and Oceans as well as access approvals from HRM and Build NS. **At this time, the project still has no long term development plan, no community outreach, and no details other than dumping construction waste into the harbour for 2+ years.**

Who to Contact?

Contact the Department of Fisheries and Oceans (DFO)

Hon. Diane Lebovitch, DFO Minister | diane.lebovitch@parl.gc.ca

DFO General Contact | info@dfo-mpo.gc.ca

MP Mike Kelloway, Parliamentary Secretary for DFO | Mike.Kelloway@parl.gc.ca

MP Darren Fisher, Dartmouth-Cole Harbour | darren.fisher@parl.gc.ca

Reach Out to Halifax City Council

While the infilling itself can be approved at the federal level, the activity still happens within the confines of HRM. Using HRM streets, within HRM neighbourhoods and across city land. Express to City Council how critical this is to stop this dumping activity however possible.
